

PROJECT

REINVENT

OBJECTIVE: A new meaning to the words "bake" and "potato"
INVENTOR: Alex Gersmanzhuk, Executive Chef, Butter, New York City
REINVENTION: Golden biscuits with a Creamy Idaho® Potato Center

INGREDIENTS

2lb. Idaho® Potatoes
2 C All Purpose Flour
2 1/2 Tsp Baking Powder
1 C Cheddar Cheese, grated
1/2 C Heavy Cream

SUMMARY

These biscuits do for scones what warm chocolate cake did for breads. Perfect as starters, or in the center of a bowl of soup or with braised meats or hearty fish. Rich and creamy in flavor, and tender, softer than even an closed loaf. For this and other reinvented Idaho Potato recipes, visit us on the Web.
